

PRESENTS OUR 21st ANNUAL

Dear ACC Circle Members,

Advocacy and Caring for Children (ACC), is hosting our 21st Annual Labor of Love Online Auction March 12 – March 19, 2023. **This is one of ACC’s few All-Association fundraisers, and all ACC members play a crucial role in its success.** Our online auction raises funds that contribute significantly to ACC’s spring grant funding. These grants help support essential programs for children, women and families in our communities. We are excited to be holding this 21st annual event and look forward to collaborating with all of you to make it happen and reach our lofty goal of \$20,000. Together, WE CAN DO IT!!

Please consider how YOU and your CIRCLE will participate to make this our best online auction to date. There are many opportunities, including procurement, donations, sponsorships, and most importantly - bidding! **We ask that each Circle member donate ONE \$25 minimum value item, or team up to donate equivalent value.**

During this busy time of year, as you are out and about, consider picking up an item that would be desirable for our bidders. It is a great opportunity to take advantage of post-Thanksgiving sales. Also, when you are shopping or dining, take advantage of that moment to ask familiar businesses for a donation. It’s easy to procure items from stores and service vendors you frequent, just ask! Don’t forget to keep a procurement form handy for the business to fill out. **Please email the ACC office acc@ccsww.org to repeat any previous year’s donations!**

For your convenience, all necessary forms are attached including: 2023 procurement form, wish list and donor letter. Additional information and forms available on the ACC website auction page: <https://www.advocacyandcaringforchildren.org/labor-of-love-auction.html>

Procurement deadline is March 1, 2023
