

Thank you for considering ACC as a beneficiary of your bequest. We provide the following information for you to put in your legal documents files.

MAKING A BEQUEST IS AS EASY AS 1-2-3:

1. Create a will or living trust, or revise an existing one.
2. Decide what you would like to designate to Advocacy and Caring for Children.
3. Provide your attorney with our suggested bequest language.

If you have any questions about making a planned gift to ACC, please contact us at (206) 328-5973 or acc@ccsww.org. Informing us of your intent helps us to recognize you in our Legacy Society.
