Presidents Report-

We are reminded to invite friends and daughters to the luncheon with the hope to recruit new members to the organization. The reservations are due by May 3 with the luncheon choice.

Maureen Britt reported that she only has 3 raffle items so far, each circle is expected to contribute an item valued at least at \$50.

We are reminded that CTC (Celebrate the Children) will be live this year. Helen will be asking each circle to be represented on the committee for CTC. It will be held at Tye club on October 7. A chair in training is needed this year so that person will be ready to take over next year. Many positions need to be filled.

Communication-

Raffle tickets – more tickets are available from Heidi.

Please let Maureen Britt know what your Circle will donate to the Raffle

The Katie McKay Circle created a website with Square for their Flower Sale.

The use of Venmo was discussed for payments. Heidi will check with Katie McKay re: the flower sale payments and let others know how to use the tiles for fundraisers and will report on this at the next meeting.

May Luncheon- May 12, need to get reservations in by May 3. It was suggested that we invite some of the retired ACC members to the Luncheon.

Grant Funding Review Committee-

The Grant Review committee recommends using the \$105,000 available. All requests were fully funded, except one and the extra \$5000 should be given to the Kinship Collaboration as that group has great need currently.

The above recommendation was approved by the Board.

Membership- Tara had new posters made with a QR code and small posters to hang in parishes. Can print more. Let the ACC office know if more are needed. Some posters were given out at the meeting.

Circle chairs-
