

**The Joy in Living ~by Mother Teresa**

**Joy is prayer**

**Joy is a sign of generosity**

**When you are full of joy, you move faster and you want to go about doing good for everyone.**

**Joy is a sign of union with God and of God's presence.-**

**Let us raise funds of love; of kindness; of understanding; of peace and let us begin in the place, where we are with the people with whom we are the closest and then spread out.**

**Let us protect this work knowing the important thing is not how much we accomplish, but how much love we put into our deeds everyday. This is the measure of our love for God.**
